

# CONSTITUTION of NATIONAL LUTHERAN SECRETARIAT

## PREAMBLE

The purpose of National Lutheran Secretariat is to foster and encourage renewal in the Christian faith in the Lutheran Church and in the larger world community by presenting the fullness of Christ's ministry by both laity and clergy. National Lutheran Secretariat aims to bring Christians to a fuller personal knowledge of, a fuller relationship with, and a deeper level of commitment to the Lord Jesus Christ and the spreading of his word.

Via de Cristo provides a method that develops leaders and community in the Christian Church. This method uses meetings and groups of Christians who share their common life in Christ and their efforts to bring others to Him in order to make the world more Christ-like. Via de Cristo asks exactly what baptism and confirmation ask of us and provides a method to live out that commitment within the Church.

Via de Cristo grew out of the Cursillo® movement. National Lutheran Secretariat accepts as its norm the content and method of the Cursillo® movement as developed by Bishop Juan Jervas, Eduardo Bonnin and their friends. These developers provided a method by which Christians transform the world for Christ our King. This method calls Christians to live their lives in union with Christ supported by regular reunion with other Christians. We accept as normative the call to be Christ's witnesses in the world, the three-day weekend of fifteen talks, and the method of group reunion and Ultreya.

While our Constitution and Bylaws intend to safeguard these, we recognize that various customs and practices have grown up around the fifteen talks, the meditations and the worship during the three days. We also recognize that the three-day weekend often overshadows the apostleship activities of the Fourth Day. Therefore we need to improve our ability to evaluate these customs, practices and emphases. All affiliated secretariats are urged to examine these to guarantee that they support the basic aims.

National Lutheran Secretariat shall be the means by which the many Via de Cristo communities may be represented on Via de Cristo matters of national interest and the means by which National Lutheran Secretariat can effectively communicate with other structures within the Lutheran Church and with other organized bodies.

In the absence of such a quorum, any meeting may be adjourned from time to time by a majority of the Officers present. A conference among Officers by means of communication through which the Officers may simultaneously hear each other during the conference is an Executive Committee meeting if the same notice is given of the conference as would be required for a meeting and if the number of Officers participating in the conference is a quorum. Participation in a meeting by this means is personal presence at the meeting.
- k. Any action required or permitted to be taken at a meeting of the Executive Committee may be taken by written action signed by the number of Officers who would be required to take the same action at a meeting of the Executive Committee at which all Officers were present; provided, however, that all Officers must be notified immediately of its text and effective date. The written action is effective when signed by the

required number of Officers, unless a different effective time is provided in the written action. Failure to provide the notice does not invalidate the written action. An Officer who does not sign or consent to the written action is not liable for the action.

The Board may distribute up to five percent of the Fund annually.

❖ Emergency Distribution from the Fund. The Board may distribute more than five percent of the Fund only when it deems that circumstances are such that the future of the NLS Executive Director is at stake and that the only recourse seems to be the use of the Fund.
